

Health and Human Services Department Course Offerings

Courses that prepare you to start your career working with children.

Students may start with Child Development OR Careers in Ed.

Child Development is not a pre-requisite for Careers in Education.

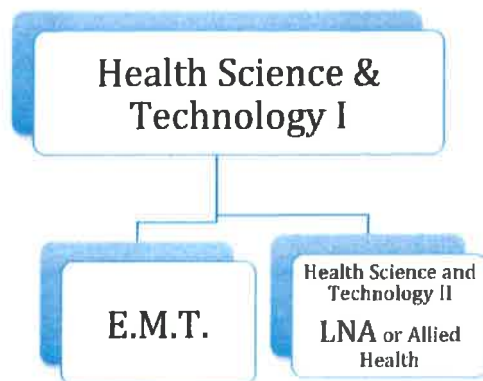

Career Cluster Education and Training

Teachers * School Counselors * Speech Pathologist * Physical Education Teacher * Early Childhood Aide * Special Educator * College Professor * Nanny * Coach * Child Care Director

Students who successfully complete Careers in Education I & II may be awarded up to 9 college credits at River Valley Community College or any of NH's Community Colleges. Successful completion here leads to transferred credits to Keene State College.

Courses that prepare you to start your career in health care:

Career Cluster Health Science

LNA * EMT * Paramedic * Dental Hygienist * RN * Doctor * Therapist * Dentist * Athletic Trainer * Nutritionist * Midwife * Public Health Educator * Radiologist * Veterinarian

Students who successfully complete Health Science Two may receive Running Start College Credits that can transfer to most 4-year colleges.

Students in Health Science II who complete additional clinical hours receive their LNA through the NH Board of Nursing.

Courses that prepare you to start your career working in cosmetology:

Career Cluster Human Services

Cosmetologist * Nail Technician * Spa Attendant * Barber * Esthetician * Embalmer * Skin Care Specialist

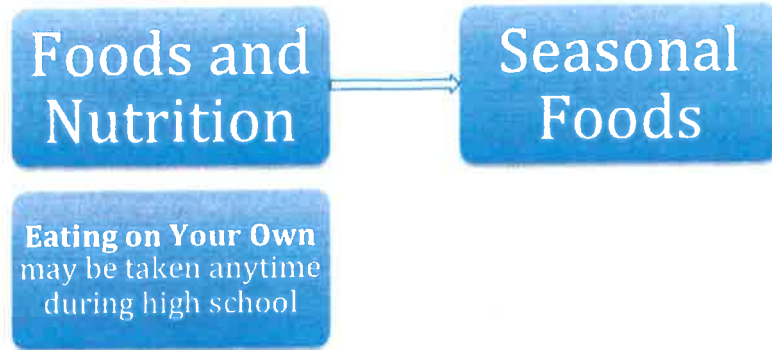

Students who are successful in our Cosmetology program will have the opportunity to continue their education at Keene Beauty. Completing Cosmetology I & II means the opportunity to earn 250 hours which is equivalent to one quarter of the requirements for full licensure.
