Comprehensive School Counseling Mission Statement

- Reach out to all students in an organized effort to help them achieve their highest personal and academic potential
- Support the social, emotional, academic, career and wellness needs of all students

School Counselors Ensure That...

- Students have access to and are prepared with the knowledge and skills to contribute as fully productive members of society
- Students maintain meaningful relationships
- Lifelong learning and wellness is promoted

SAU 29 Comprehensive School Counseling Program

Working Together to Make a Difference

School Counselors...

- Foster a successful school experience for every student
- Are vital members of the educational team
- Are uniquely qualified to address the developmental and diverse needs of all students
- Encourage all students in the areas of academic, career, and personal-social needs
- Abide by ethical standards set by the American School Counselor Association
- Guide students to become productive, well adjusted members of the community

We reach out to students, families, and communities through...
