

Senior Workshops

The KHS Guidance Department is excited to announce a workshop series for seniors. Topics will include, but are not limited to, the following:

Tips and Tricks for Writing Your College Essay (Fall)

At this workshop you will learn more about....

- What colleges are looking for in a college essay
- How to get started
- How to choose a topic
- Tips and hints for writing a successful essay
- and more...

Whether you are putting the last minute touches on your college essay, or just beginning the process, this workshop will provide valuable support and information from a KHS English teacher.

Using the Common Application (Fall)

At this workshop you will learn more about....

- The benefits of using the on-line Common Application (and other on-line applications)
- How to complete the on-line Common Application (and other on-line applications)
- Inviting school counselors and teachers to submit information on-line
- and more...

College and Career Readiness Open Lab (Fall/Winter)

- Need to begin or finalize your college search?
- Interested in learning more about the military?
- Need help with your job search or creating your resume?
- Need time and support to complete your college application?

If you answered yes to any of the questions listed above or have other college and career readiness questions sign up and get support from school counselors.

Watch for additional workshops being offered in the winter and spring. These topics may include such topics as:

*Resume/cover letter tips, tricks and resources

*Job applications, interview skills, etc.

*Transitioning to college

Each month the series of workshops will be offered to the class of 2015. Workshop dates and topics will be posted on the Keene High School website under the guidance link, in advisory, outside of main guidance, English classrooms, and each house office.

Advisors and teachers can register interested students the same way they schedule students for other I-Time activities. Students who want to sign up let an advisor, teacher, or school counselor know you are interested and ask him/her to sign you up for the workshop.
