

# KEENE HIGH SCHOOL

43 ARCH STREET

KEENE, NEW HAMPSHIRE 03431-2298

603/352-0640

September 7, 2016

I am pleased to share the New England Association of Schools and Colleges (NEASC) final evaluation report for Keene High School with you. The on-site accreditation visit took place at Keene High School on April 3-6, 2016. During the accreditation, the visiting committee spent many hours combing through data, observing, and meeting with a myriad of school stakeholders.

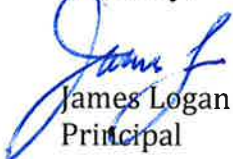

I believe the enclosed report is a fair evaluation of Keene High School, and the recommendations will serve as a catalyst for school improvement. I would like to recognize the entire Keene High School staff for their dedication and hard work through this accreditation process. The KHS NEASC steering committee should also be commended for their commitment and leadership through this ten-year cycle.

The NEASC Committee on Public Secondary Schools will vote on this final report in the fall, and at that time a determination will be made on the status of Keene High School's accreditation.

I would like to thank everyone who was involved in this process and look forward to our continued work in cultivating the academic, civic, and social growth of all students and empowering them to become contributing members of the global community.

Please contact me if you have any questions. For more information on NEASC, you can visit the NEASC Committee on Public Secondary Schools website at [cpss.neasc.org](http://cpss.neasc.org).

Sincerely,

  
James Logan  
Principal
